BIG IRON SERIES

BIG IRON HALF RACK

Raising the Bar

CYBEX never stops exceeding expectations. This ideal holds true for the new Big Iron series of Racks and Benches.

The New Big Iron series is designed to survive the heavyweight workouts of the most demanding college and pro athletes by using materials like 3" x 4" 7-gauge steel where it's needed most. With a choice of highly versatile benches, this rugged and fully equipped half rack is a solid foundation for building strength and improving performance.

The Big Iron series delivers exactly what you would expect from CYBEX, the leader in high performance strength training and cardio equipment.

A Proven Performer

CYBEX strength-training equipment is a top choice among athletes and teams in the NFL, NBA, NHL, and MLB, as well as the nation's top collegiate athletic programs. Now you can raise the bar by adding the new Big Iron Half Rack to your arsenal of CYBEX fitness equipment.

Make it Yours

You can custom paint the Big Iron Half Rack or add your team's logo to match the look and feel of your weight room.

9' Half Rack & 8' Half Rack

- 3" x 4", 7-gauge uprights and floor members
- Thirteen racking positions spaced 4" (10 cm) apart
- Laser engraved position indicators
- Bar catches with UHMW protection
- Adjustable bar stops with UHMW protection
- Standard swing-away spotter platforms with 10 positions spaced 2" (5 cm) apart
- Six zinc-coated plate storage pegs per side with polymer bumpers on storage pegs protect frame finish from plates
- Pull-up bar with standard and neutral grips
- Three band attachments
- Two Olympic bar storage holders
- Two band storage holders
- Two chain storage pegs

Platform with Insert

- 6' x 8' platform with insert
- Multi-layer construction (center section of red oak top layer with tongue and groove construction; polyurethane top coat)
- 3/4" rubber flooring outer sections

Locking Bench & Adjustable Dumbbell Bench

- Handle and wheels allow for portability
- Five back pad adjustment positions
- Three seat bottom adjustment positions
- Locking pins provide for positive location relative to spotter platforms

CYBEX BIG IRON HALF RACK

discover the CYBEX difference

Why do the most demanding pro and college athletes prefer CYBEX? Because our products get results — from our plate-loaded and selectorized strength-training equipment to the Bravo™ functional trainer and our family of high performance bikes, treadmills, and the incomparable ArcTrainer®.

CYBEX professional fitness equipment is the direct result of extensive research into biomechanics and human performance conducted by the CYBEX Institute for Exercise Science. We draw on our deep medical heritage and extensive knowledge of biomechanics and human performance to ensure that you get the safest, most durable, and most effective strength and cardio equipment in the world. We are serious about fitness.
